

To get to our office is now somewhat of a challenge due to the construction of the building next to us. **We no longer have an entrance from Minnesota Ave.** -- Please go to 5th Street and State Avenue and turn east on State. About 1/2 block down State Ave, is the road between the building being constructed and our building. Turn right and follow that road to our building. FYI -- it looks like a construction road, but that's where you need to turn.

If you forget and turn east on Minnesota Ave, you won't be able to turn into our lot. Don't panic -- but get into the right lane ASAP and you can go around the block (or in other words around the EPA building) -- turn right on 5th Street, go to State Ave, turn right and right again on the road between the two buildings. The left lane on Minnesota Ave will take you to Missouri.
