United Way chairmen named in Wyandotte County

Kansas City, Kan., School District Superintendent Jill Shackelford and United Auto Workers Local 31 President Jeff Manning have been named chairmen of the United Way of Wyandotte County's 2009 campaign.

"Every year, I am amazed at the way people roll up their sleeves and dig deep into their pockets," Shackelford said. "There are lots of needs in this community; we see them in our schools."

Last year's campaign raised \$2.38 million, which funds 53 programs in Wyandotte County. This year's campaign will begin in September.
