Annually the United Way of Wyandotte County bestows the SPIRIT of CARING Award to a United Way volunteer.

This year the award was presented to Brenda C. Jones,

Brenda has been on the United Way Board of Directors for seven years.

Two of those years she served as

Secretary of the Board which meant she also served on the Executive Committee.

She has participated on several Board committees including the Agency Relations Committee where she led a citizen review panel that reviewed Agency program proposals.

She has currently chairs the Retired and Senior Volunteer Program Advisory Board.

For our 2009 Campaign she is an Ambassador for the Eastern Wyandotte Campaign Division which means she will be doing fundraising in the neighborhood where she lives. As a member of the Allocations Team, she knew first-hand about the great needs in our community.

When the Board was asked to serve as volunteers for the campaign committee, she was one of the first to step forward.

She embodies the United Way of Wyandotte County mission, "To increase the community's understanding of human needs and to mobilize resources to meet those needs."

This only begins to touch on what Brenda does to give back to her community. Ms. Jones serves on the KCK Board of Education, she's actively involved with the Girl Scouts and her church to name just a few.

We are truly grateful for the tremendous commitment she has made to the United Way of Wyandotte County and to the community.
